Alone

Author's Notes:
Written via the Rockfic chat with the prompt coming from Kelpie of \"Alone\".

I'm never alone.

Always surrounded by bandmates and crew. Always surrounded by groupies and leeches.

Never really alone.

Can't think about problems, can't think about answers.

Everything filled with bodies, choking the air from my lungs.

I want out. I want to get away.

But I can't.

There's no escape, no safety hatch to pull.

Once you join, you're in here for life. Doing your time with the rest of them.

I need an out. I need a door.

Where is my savior? Who will come to my rescue?

No one.

My only friend - a half empty bottle of vodka.
